DESCRIPTION

Lydia Litvyak not long before her disappearance on August 1, 1943. She was a Soviet double ace fighter pilot in WWII, responsible for shooting down at least 11 German aircraft. Litvyak was reported missing and possibly captured, or even dead. Years later investigators claim to have found her remains at a decades old wreck, but still others have refuted this claim and say they have seen Litvyak alive. Does only Infinity Patrol know the truth?
