

Surlas McMurdy (60 points)

Surlas is a grumpy man who is nevertheless endearing and affable and almost uniformly loved by his patrons. He'll probably die behind the bar someday, whether it be from a drunkard's knife in a brawl or a poisoned liver. He fantasizes about selling the bar and moving on, but then he would have to buy his own drinks retail, rather than drink his profits wholesale. It'll never happen.
